Additional Financial Information Worksheet 2019-2020

On your 2019-2020 Free Application for Federal Student Aid (FAFSA) you and/or your Parent indicated you had Wages, and/or Additional Financial Information and/or Untaxed Income (Questions 39-40, 44 a-f and 44 1-j or Questions 88-89, 93 a-f or 94 a-i). To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent (if dependent) must complete and sign this worksheet, attach any required documents, and submit the form to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about this form, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed. **Please use Black/Blue Ink only and do not use Whiteout.**
