To be eligible to receive a Book Allowance, students must have a credit balance (funds on student account in excess of tuition and fees) from Federal Pell Grant funds equal to, or greater than the amounts listed below, three working days previous to the credit balance and check dates shown above. Check amounts are partially determined by the number of credit hours for which students are enrolled*. Maximum check amounts are:

- 12 or more credit hours = $600.00,
- 11 to 9 credit hours = $400.00,
- 8 to 6 credit hours = $300.00.

*For book allowances and/or final refunds, enrollment is: credit hours registered minus credit hours that are considered repeats (under the Repeat Coursework Federal Regulations), which will not be paid. For more information please see Repeated Coursework section of the STC Catalog or the STC website at [http://studentservices.southtexascollege.edu/finaid/repeat_coursework.html](http://studentservices.southtexascollege.edu/finaid/repeat_coursework.html).
